Quality Products. Trusted Service. Better Healthcare.

SA Healthcare

We are one of the largest Medical Wholesalers in South Africa, whilst serving the Medical industry for over 25 years.

We sell only to Medical companies and not to end users.

We uphold the manufacturers guarantee for all capital equipment and provide technical back up and after sales service to our customers.

Our Quality Policy

The purpose and strategy of the Hi-Care Group of companies, is to distribute safe and performing medical devices, to provide excellent standards of service and client satisfaction, to both the South African and African market.

The Group of companies is committed to implementing, maintaining and continually improving a quality management system that meets the requirements of the customer, regulatory and legislative standards.

The Group of companies is committed to the highest standards of product quality, performance and safety in all aspects of our business.

The background features a grid of hexagons in various shades of blue. Several hexagons contain white medical icons: a cross, a face mask, lungs, a syringe, a clipboard, a stethoscope, a wheelchair, a drop with a cross, a bandage, and a heart with an ECG line. A solid red horizontal line is positioned near the top, and a blue wavy shape is at the bottom.
